COMMENTS FROM THE COACHES:

I would just like to take a few moments and thank a few people. First, to the loyal fans that have supported us all year, both the coaching staff and the players appreciate the support you have given us. Also, our fine cheerleaders have done an excellent job for the team this year. Not enough can be said about Rick Brinager and all the A.J.A.A. coaches for working with our young Orioles. You all have done a great job this year. Plus, I would like to express my gratitude to the Oriole coaching staff: Earl Watts, Rick Belcher, Jim Sides, Loren Enders, Chris Sampson, and John Dizney. These gentlemen work very hard and have done a sensational job. The basketball program has improved because of their dedication. To the parents of the players, thanks for your cooperation, it is much appreciated. Finally, to our players and managers, these kids have worked diligently and have improved greatly. I am very proud of them! They can be proud of their accomplishments. They have learned more about themselves through this experience. Hopefully, we will play well in the Sectional and, with a little luck; win it. I know I speak for the whole coaching staff when I say that we are very excited about the Sectional and our future.

Thank you;

Steve Binkley
Avon Basketball Coach

ORIOLE PLAYER PROFILE:
Chris Collins (Sophomore)

The coaching staff has high hopes for Chris in the next two years. He displays a lot of natural ability that makes him an excellent prospect for us. He can run, jump and has good quickness. He is just now starting to understand the game.

Andy Wickham (Sophomore)

Andy has done a good job on our Reserve team this year. He is an outstanding jumper who needs to develop a better touch around the basket. Andy is working on his game, and with his attitude, he could develop into a fine player.

Matt Kattman (Sophomore)

We are very impressed with Matt's progress. He has become a starter for our Reserve team and could be very important next year. Matt has a good touch with the ball and can also pass the ball well. He needs to work on this strength and quickness.

Bryan Christ (Sophomore)

Bryan is better known as "Boomer". Boomer became the starting quarterback for Avon late in the season and showed strong character. He has also exhibited this in basketball. He is a leader whom the players listen to and respect. Boomer is achieving over our expectations.

Jason Handlon (Sophomore)

Jason rounds out our fine sophomore class. Jason is a strong jumper who also shoots the ball well. He needs to develop some intensity towards defense and rebounding.

The following are the parents of these fine players:

Ron and Vicky Collins parents of Chris
George and Joice Wickham parents of Andy
James and Cara Kattman parents of Matt
Ron and Vicky Christ parents of Bryan
Ron and Linda Standtill parents of Jason

SCOUTING REPORT ON FRANKLIN:

The Orioles will be entertaining the Grizzly Cubs tonight. Franklin supports one of the better teams in Central Indiana. They have already clinched the Conference Crown and have an outstanding 14-5 record. Coach Tom McKinney's crew is averaging seventy points a game, and giving only sixty.

The Cubs have an All-Star Candidate in Jerry Tharp. The six-foot guard can shoot from anywhere and can handle and pass the ball with the best of them. He is a three year starter whom Orioles have much respect for. Underneath, the Cubs have some fine players in Randy Vanderbush, Bryan Roberts, and A.D. Terhune. All three of these players can score and rebound. They will be hard for us to contain.

We would like to wish Franklin good-luck tonight and in the Sectional next week.
