

111—Snow-Capped Peaks of Mission Range, on the Flathead Reservation, Montana

Wednesday

We are taking it easy
out in ^{CORRESPONDENCE} Manito Park waiting
for N. E. I am not stuck
overly on this part. W. + I
have both taken colds + feel
bummy. we are getting
homesick + are not near
the end of our journey west
200 miles to Seattle but the
crowds of people is a sight.
