BATTLE OF CHICKAMAUGA, GEORGIA

Two days' battle fought Sept. 19th and 20th, 1863. 34,000 killed and wounded.

Through the courtesy of E. A. Hillman (whose Regiment 68th Indiana was the last to leave the field) the original of this picture may be seen in the War Museum, Lookout Mountain, Tenn.

I have to day been
over the ground
and stood on snod-
grass hill where the
rock of Chickamauga
(Gen Thomas) turned defeat
into victory -
will come home next
week.
