Plainfield, Ind.
Friday Morning

Dear Janet,

Sorry I didn't write sooner but I have been so busy I didn't have time to write. Every morning (about) I have to write a letter for Daddy because he is getting Buddies 4-4 pig.

Well, I have some news which will make you very sad that is that Charles Savage ran away from Statecup. This tickles me pink. You can tell Mary Ann the Imogene's dear boyfriend is gone. I was over at Waltons one day and we went out and got the mail and Imogene got a letter from Mary Ann. "Ninnie" read it but she wouldn't tell me what is said. She said she asked about Lawrence.

More News Bill Markes was cranking their tractor and the tractor kicked & broke Bill's arm. I feel sorry

for poor Bill.

Well we are meeting in 4-14 every week which is pretty often. Florence hasn't been there for the last two meetings the first time she was visiting at town & last week she was sitting tomatoes. I suppose she will go today but I am not as my cousin died and I am going to his funeral. He was just 4 weeks old.

I suppose you were surprised to hear of Carl's death. I thought you might be at the funeral but didn't see you.

I went up to Uncle Bill's last week and set tomatoes. He gave me a dollar for working about 6 hrs. I guess I had better close as I have work to do.

A true, true, true. pal
Mary Frances.

P.S. Please write me a long letter & tell me news
