Dear Janet,

I see you are rather slow answering letters. I thought you were surely mad about something.

I Lorence told me you were mad at her (that's what I understood her to say). If you are please write and tell me what about.

We have an all day Y-H meeting today just 4th and 5th years. I am now making a corsetion wine silk dress turning it in white. I have got my blue and white dress done. Boy! but it's cute. I think I am making my silk dress like June & Minnie only I'm making the ^{top} better.

Janet. Please come down some time soon & spend the weekend, write and tell me when your coming. I am dying to see you.

week. I was so lonesome while she was gone that Mother would have to take me someplace.

I went to a birthday dinner Sunday. It was a birthday dinner for all the Parsons that had a birthday in January (part of Late). We had a nice time anyway.

When Winnie came home from Purdue she brought me a ring & little dog (It was great).

Janet I forgot all about your birthday but will get you something even though it will be late. But you are suppose to forget how late it is.

Janet, what are you doing to pass the time? Have you growed much since school was out? Are you fixing your hair the same old way?

I don't want you to write me a letter & answer these questions but answer them in person (understand).

Your pal.
Jake

P.S. Please come down. If you will come down I will spend the week end with you sometime.

Jake
