Dearest Janet,

I have just got home from the show & it is exactly 10:30. Minnie had a date to write so I am very lonesome & thought I would drop you a line.

I received your letter over a week ago. Florence was here at the time and of course I had to let her read it. We and I rode to Plainfield Thurs. on our bikes & she had her hair fixed. Friday we went down to Plainfield and took a health examination. We had to take off all clothes before a man doctor & the county nurse. Were we ever scared!

Martha Jane Barnes spent last week end with Florence. I guess they ~~had~~ had fun since they are such good friends.

Why on earth don't you ever come down. I am always home except on Tuesday afternoon. I am anxious to see you.

Last Sunday afternoon Mom & Dad went to a Legion meeting at the Boys School & Buddy went to the show so Va. & I stayed home by ourselves just as soon

as they had left Randall & Hadley (Bob) came over. Did we ever have a grand time!! I was never so miserable in my life. Then the Walton Kids came & me & Margie were going real high in our swing & it broke & tilted & ruined one of my fingers. We slid down the rope & it just burnt a hole in my finger.

Well I guess I had better close and can't think of anything to say and I think that's a good reason to quit.

Lots of Love
Vake.

P.S.¹ Please excuse the writing & the iodine on the back of one sheet

P.S.² I saw Delmar, Squirt, Chet, & Elton Moneys at Plainfield and was I ever surprised when they all spoke to me. I saw a lot of other people I knew besides them too.

P.S.³ I am sorry I am so late answering and please come down & see me for I want to talk to you. Please come.

answer soon

Love

Vake
